

Energy Research Institutes Council for Australia (ERICA)

Third State-of-Energy-Research Conference

Tuesday 31 January & Wednesday 1 February 2023
Aerial Function Centre, University of Technology Sydney

Call for abstracts

All members of the energy research community are encouraged to submit an abstract for the 2023 State-of-Energy-Research Conference (SoERC).

Abstracts can be for:

- oral presentations
- poster presentations
- one-hour workshop or panel sessions.

Abstracts and session ideas will be considered for the conference program by the SoERC 2023 Program Committee. Their inclusion in the final conference program is at the discretion of the committee.

Please note that all presenters must register for the conference and pay the appropriate registration fees. (Poster presenters must register for at least Day One of the conference, when a poster discussants' session will take place at the end of the day during networking drinks.)

Themes

SoERC 2023 seeks submissions related to the following themes.

People, Society, and Institutions

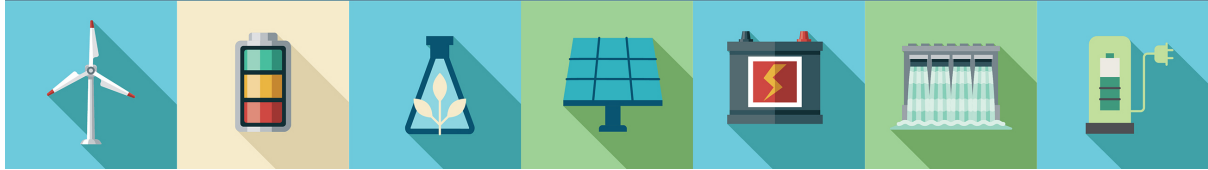

- Employment
- Just transition

Energy innovation and technology

- Innovation and Integration of renewable energy and customer energy resources in power grids
- Technology innovation and energy efficiency
- Consumer engagement, communication and rights

Decarbonisation pathways

- Transition pathways
- Transformative economic opportunities
- Policy and regulation

How to submit an abstract

1. When you are ready to submit your abstract/proposal, please go to the submission portal on the conference website here: <https://bit.ly/3Vbq5Nc>
2. Submit your personal details as the author (*and add any co-author's names and affiliations if relevant*)
3. Enter your abstract or session title (*maximum 75 words*)
4. Choose one of the following options from the **Presentation type** drop-down list:
 - oral presentation only
 - poster presentation only
 - oral presentation AND poster presentation
 - workshop/panel submission (full one hour).
5. Select the theme of your abstract or session from the **Theme** dropdown menu (*see list of themes in this document*)
6. Enter the body of your abstract (*maximum 400 words. Tables and images are not permitted at this stage*)
7. Submit your abstract.

Special instructions and information for workshop and panel submissions

1. The body of your abstract should include the following information:
 - Whether you are proposing a workshop or a panel
 - Other presenters' names, titles, and their role in the session
 - How the session relates to the conference theme and the selected theme area.

Please note – A strong panel or workshop:

- is presented by three or four people, one of whom is Chair at least two, but no more than three, discussants
 - clearly indicates how the panel / workshop relates to the conference theme and the selected theme area
 - includes a diverse range of participants, crossing lines of gender, race, affiliation and research methods and perspective.
- Important Dates

Call for abstracts **closes on Wednesday 30 November 2022 at 11.59pm.**

Notification of successful submissions Monday 12 December 2022.
