

Energy Research Institutes Council for Australia (ERICA)

Third State-of-Energy-Research Conference

Tuesday 31 January & Wednesday 1 February 2023
Aerial Function Centre, University of Technology Sydney

Call for oral and/or poster presentations

All members of the energy research community are strongly encouraged to submit an abstract for consideration for an oral presentation in the conference program and/or a poster presentation for the third State-of-Energy-Research Conference (SoERC) 2023.

Please note that all oral and poster presenters must register for the conference and pay the appropriate registration fees. (Poster presenters must register for at least day one of the conference, when a poster discussants' session will take place at the end of the day during networking drinks.)

Inclusion of an abstract for an oral presentation will be at the discretion of the SoERC 2023 Program Committee and be dependent on available space in the final conference program.

Themes

SoERC 2023 seeks submissions related to the following themes. These themes are broad and inclusive and may assist with directing your submission.
